

A Good Thing Perfected – Joyful Living in Difficulty

Want a taste of what you will hear in this retreat?

Session I- How do you navigate difficulty with a joyful outlook? The Apostle Paul reminds us that joy is not related to our circumstances, and gives us a blueprint for living well even in challenging times.

Session II- Jesus Christ gives us the perfect joy-filled example to follow since He obeyed God completely and with joy. How does His modeling of obedience help us understand how to navigate the challenges we face? Find practical hope and encouragement as we dive into Philippians 2.

Session III- This is where the rubber meets the road! Paul gives step-by-step insight for how to live with godly thoughts, developing an attitude that is pleasing to the Lord. Be challenged to consider your own thought life and draw nearer to the Lord in our study from Philippians 4.
